Stockholmsmässan 5-6 April 2017

1st edition - 11:00-18:00

After numerous, successful editions of **ARCHITECT@WORK**, these unique, tailor made contact days for architects, interior architects and other specifiers will finally be held in **Stockholm**.

ARCHITECT@WORK distinguished itself from all other events in construction by focusing on innovations exclusively.

Each product that is shown during the event was first approved by a judging panel of architects and interior architects, which guarantees you a very interesting visit.

With over **200 innovations**, an interesting seminar program, a unique materials exhibit and free catering, this brand new exhibition concept will be the place to be for finding innovative solutions and for networking in a unique atmosphere.

Discover our innovations during **ARCHITECT@WORK Stockholm: on Wednesday 5 & Thursday 6 April** each day from **11am until 6pm at Stockholmsmässan**. We are pleased to invite you to be part of this unique experience!

By **clicking here** you can register (free of charge) using code **17901**. Without registration, the entrance fee is at SEK1.000.

We look forward to welcoming you on our stand!
